Submitter 4	<p>TOTAL NUMBER OF SUBMISSIONS: 1</p> <p>NON-OBJECTION</p> <ul style="list-style-type: none"> • Truck is not being used everyday • It has been parked there for more than 14 years..... Why a problem now? • Truck is off the road, top of driveway, only visible when you stand in front of the house. • Doesn't interfere with Traffic or Pedestrian movement in the road • Vehicle noise is the same as ANY other vehicle noise in the street and is quieter than the average motorcycle which we hear daily IDLING from 4:45a, from 27 Ind Street. • The City of Kalamunda Shire should check their records from now and years back to see where all the trouble comes from. • It seems some people use the local authorities to exercise their wishes, these people are driven to make people feel like they run the community. 	Noted.

	<ul style="list-style-type: none"> • Neighbourhoods are made up of many people. Some just want to make trouble and do everything to make others, especially hard-working people feel uncomfortable. • Throughout our community there are Caravans, trailers, buses, trucks, tractors, cars, bikes, motorbikes, horses, dogs, cats, birds ALL seen from the street, this is how we live. • I think the authorities need to look deeper and see where the trouble really lies. These complainants made enough trouble for us and others in Ind Street. Again, I implore you to look deeper in these on-going complaints...will this ever stop? 	
<p>Submitters 5 & 6</p>	<p>TOTAL NUMBER OF SUBMISSIONS: 2 (same household)</p> <p>OBJECTION</p> <p>I do not mind the truck movement Monday to Friday 6am – Not before this time*.</p> <p>BUT – Saturday, Sunday and Public Holidays I object to it being moved after 9am.</p> <p>*I am sure I live in a Residential area not an Industrial Area?</p> <p>Up to 4 trucks are in this street during the week. Monday to Friday 6am is ok. Not before I must say. Saturday, Sunday and Public Holidays must not be before 9am or 10am. We live in a residential area not an industrial area. Please consider our rest sleep in on these days. I also do FIFO and I don't need this.</p>	<p>Noted.</p> <p>The policy stipulates the hours in which the vehicle is to start up and leave the property week days and includes Public Holidays.</p> <p>Whilst the applicant is seeking a variation to the start-up time, variations to the policy can be considered where appropriate.</p>
