

## Notice of Proposed Permanent Road Closure

### South-eastern end of NARDINE CLOSE, FORRESTFIELD

The City of Kalamunda invites public comment on the proposed closure of the south-eastern end of Nardine Close, approximately 170m south of the Ashby Close intersection. The new end of Nardine Close will be changed into a cul-de-sac.

It is proposed that road be closed as access is not presently required by the properties to the east. The road itself will not be removed, and access will be returned as and when needed associated with development activity.

A plan depicting the location of the closure can be viewed:
