

# Revised Scott Reserve Master Plan

- 1 New trees - wind breaks and increased shade
- 2 Parking
  - Additional on verge parking bays (54 total)
  - Bollards moved between path and car bays
- 3 Terraced seating - along natural contour (potentially limestone) for spectators
- 4 Improved pathway - connecting to existing trails and networks, providing access through the site for all ability levels, fitness trail markers and passive rest spots
- 5 Retained local level playground
- 6 Retained and extended turf practice wickets - with lighting
- 7 New Sports Pavilion - change rooms, club social space, kitchen/kiosk, store rooms, office/meeting room, umpires room and first aid room
- 8 Expanded car parking - demolition of existing HWCRC and amphitheatre for car park expansion. Users relocated to new HWCH or alternative City facilities
- 9 New green keepers storage shed - existing shed removed and water tank retained
- 10 Retained and expanded hard wickets nets - power and lighting upgrades to assist with training
- 11 Proposed boundary realignment with Department of Education
- 12 Playing fields refurbishment - total grassed playing area renewal, including retic, drainage and grass
- 13 Lighting upgrade
  - Upgrade southern oval lighting to 50 lux training standard.
- 14 New scoreboards with power
- 15 Power supply upgrade for future lighting
