AIRAY, Nicole

The Perth Hills has been our home since 2008 & we (husband & 3 children) love our local community, natural surrounds & the facilities that are unique to living in the City of Kalamunda.

I'm an active member of the community volunteering my time as much as I can. I previously managed Kalamunda Farmers & Night Markets. Currently involved in Zig Zag Community Arts, Gooseberry Hill P&C & coordinate the Bickley Harvest Festival. I have diverse work history including Mining (Geologist), Corporate (Land Management), NGO (Kalamunda Chamber of Commerce) & currently a partner in NY Events, a local small business.

If elected, I will be able to represent you & your needs at council. I am transparent & approachable, two traits amongst others I possess that will make me an ideal councillor.
