COOPER, Lisa

It was a privilege to be elected as your North-West Ward Councillor for the City of Kalamunda in 2019, thankyou!

As a Councillor for the past two years, I have met many wonderful people and have been honoured to assist residents wherever I can. I am hardworking, honest and have worked on Council with integrity and commitment. My decisions have been based on our local community's interest first and foremost.

I have lived in the suburb of High Wycombe for 42 years, originally moving here as a child and then going on to raise a family. The foothills has seen many changes throughout the years but there is still a fantastic community spirit and it continues to be a wonderful place to live.

To be re-elected and continue to represent my community with these values would be the greatest honour.
