Ballot paper name	LINDSEY, Frank
Candidate name	Frank LINDSEY
District	City of Kalamunda
Nominating for	Councillor for North Ward
Election type	Ordinary
Enrolment status	LINDSEY, Frank is eligible to stand for election as a resident of the City of Kalamunda.

I have served in the Army Reserve, worked for CBH, on a drilling rig, as a Research Officer to state and federal members of Parliament and have run my own business.

I have lived in the City for more than 30 years.

It concerns me to see the City's financial position deteriorate, failing to reach the required Operating Surplus Ratio (OSR) for 3 out of the last 4 financial years. As the Officers report to Council stated (OCM May 2023), "a declining OSR basically means the City doesn't earn enough operating revenue to pay for operational expenditure".

Whilst a recently conducted internal audit of the City by the Auditor General remains confidential, the City's Officers have noted the trend shows a "declining OSR (for) the 2023/24 budget & future budgets" (OCM May 23).

Council must focus on rebuilding the City's financial health lest they jeopardise important services, such as the Kalamunda Pool.

Please feel free to phone or email me to let me know your priorities for the future of our City.
