I am a Walliston local and work as a tutor in Lesmurdie where I enjoy helping young people fulfil their potential. Getting involved in our community has given me a sense of purpose, which is why I want to bring a fresh perspective to council.

### COMMUNITY SAFETY

Safety is the first responsibility of government. Road infrastructure upgrades, widening roads and improving streetlights to enhance the safety of our community are key priorities of mine.

### SENIORS' INTERESTS

I recognize we have an ageing population in Kalamunda. I will work with both state and federal governments to ensure Kalamunda receives the attention we deserve, and the aged care needs of our community are met.

### KALAMUNDA POOL

Let's fix Kalamunda Pool – an essential service for our young families and seniors. With adequate funding, we'll install solar heating and upgrade the amenities, ensuring we have a top-notch facility for everyone to enjoy.
