

Candidate Details

Ballot paper name	CANNON, Mary
Candidate name	MARY CANNON
District	City of Kalamunda
Nominating for	Councillor for South West Ward
Election type	Ordinary
Enrolment status	CANNON, Mary is eligible to stand for election as a resident of the City of Kalamunda.

I have proudly called Wattle Grove home for over 20 years, raising my family here and working hard to keep our community safe, connected and well resourced.

As your Councillor, I've stood with residents on important issues like the proposed funeral parlour, ensuring your voices were heard. I delivered upgrades through the Hartfield Masterplan, now enjoyed by players and families every day. I also successfully advocated for dangerous intersections, such as Welshpool Rd, to be upgraded and made safer.

I am independent free from political agendas, and guided by fairness and facts. I listen, I follow up, and I act. Whether it's helping residents navigate council or making decisions in chambers. Im at community meetings, sporting events and local conversations, not behind a keyboard.

Looking ahead, I will protect the liveability of our suburbs, ensure kerbside bin collection meets changing family needs, and put residents voices at the heart of every decision.

I offer strong, fair leadership.

Additional Information

I've proudly called Wattle Grove home for over 20 years. My husband and I raised our three children here, and like many local families, we care deeply about our community's future.

As your Councillor, I've stood with residents on key issues including the proposed funeral parlour and making sure your voices were heard and respected. I've also worked hard to deliver upgrades through the Hartfield Masterplan, now enjoyed by players and families every day. I've successfully advocated for dangerous intersections, like Welshpool and Lewis Road, to be upgraded and made safer for everyone.

I work independently, free from political agendas, guided always by fairness and facts. I listen, I follow up, and I act whether, that's helping individuals navigate council or making tough decisions in chambers.

In chambers I am not afraid to say no when something does not reflect the views of our community and my position is supported by evidence documented in the meeting minutes.

Looking ahead, I will continue to:

Protect the liveability and character of our suburbs.

Ensure roads and community facilities are safe, modern, and accessible.

Make sure kerbside bin collection meets the changing needs of residents and families, supporting sensible changes as they are needed.

Keep residents voices at the heart of every decision.

Our community deserves strong, fair, and present leadership. This is what I've always offered and with your support, will continue to be a strong, independent voice for Wattle Grove.

Change does not happen overnight, but with steady, honest leadership, we will make progress.
