

# LET'S GET THE REAL FACTS

## RETIREMENT LIVING

Join us for an informative session on retirement village living with real facts and a panel discussion to answer all your questions. With so much talk about this industry which is accommodating the ever-growing demand for baby boomers, let's get the real facts! Our panel will include:

- **Real Estate Agent** – dedicated experience in the High Wycombe area, providing information on current market value, pitfalls of selling and buying and current sales analysis of your local catchment area;
- **Financial Advisor** – expert knowledge and experience for people considering a move into a retirement village and the associated financial implications, learn the truth about incoming / ongoing and outgoing fees.
- **Rangeview Village Resident** – a village resident who will provide first-hand their experience on moving into a village, the reasons behind their move and what it's really like being part of a likeminded community.

This session is open to the wider community to help expand your knowledge and overall awareness, bring your loved ones, listen to the informative panel discussion, have a look around the village and enjoy BBQ lunch with the residents.

*Visitors enter the draw for a FREE DINNER valued at \$100, proudly provided by the well-established High Wycombe Tavern*
