FACT SHEET

What do our new cat laws mean for you and your feline friend?

As from 1 November 2013 all domestic cats in the City of Kalamunda over six months of age need to be sterilised, microchipped and registered with the City as the full *Cat Act 2011* comes into effect.

What does this mean for you and your feline friend?

From **1 November 2013**, all cats in the City of Kalamunda that have reached six months of age are required to be:

- Microchipped;
- Sterilised; and
- Registered with the City.

Your cat will be required to wear a collar and registration tag to ensure they can be easily identified and returned to you if they become lost.

How much does cat registration cost?

<u>FEE FOR STERILISED CAT:</u>	<u>General</u>	<u>Pensioners</u>
• 1-Year:	\$20.00	\$10.00
• 3-Years:	\$42.50	\$21.25
• Lifetime:	\$100.00	\$50.00

My cat is very old – do I still need to have it sterilised?

Yes, the legislation applies to all cats of all ages.

However, your vet can issue an exemption certificate if sterilising your cat is likely to have a negative impact on your cat's health and welfare.

How does this affect cat breeders?

The legislation requires that a person who chooses to breed cats must apply to their local government for a permit.

When a cat is sold or given away, the seller must ensure the cat is microchipped and sterilised prior to transfer.

If the cat cannot be sterilised due to its health or age, the seller must issue a prepaid sterilisation voucher to the new owner.
