

Where did the magic come from?

Fairies were first spotted here 2 years ago at the Clip Joint in Kalamunda. Since then, they have decided to call Kalamunda home and now live in over 20 different places!

Take your time, roam around, look closely- there's magic to be found.

In the main street, or down a lane, no two fairy doors are the same.

Follow the map, come out and play, You may just find a fairy along the way.

Join the fairies, come and see, Just how magical Kalamunda can be!
